I . Course Information

Research Group

The First Department of Internal Medicine	Prof. Yoshiya Tanaka
<ul style="list-style-type: none">• Molecular biological research to clarify pathogenesis of autoimmune diseases such as rheumatoid arthritis (RA) and systemic lupus erythematosus (SLE).• Clinical research to establish new therapeutic strategies of autoimmune diseases such as RA and SLE.• Molecular biological research to clarify pathogenesis of endocrine and metabolic diseases including Graves disease, diabetes mellitus (DM) and osteoporosis (OP).• Clinical research to establish new therapeutic strategies of endocrine and metabolic diseases including Graves disease, DM and OP.	

- Students pursue studies with Japanese students through the four-year doctoral course.

2. Course Duration

April 1st, 2018 ~ March 31st, 2022 (Four Year Course)

3. Diploma

Students, upon successful completion of the course and passing a formal assessment of qualification, will receive a doctoral degree, i.e., Ph.D. at the end of the course.

- Put in four years of attendance
- Fulfillment of 36 credits
- Submission of a dissertation based on specified instructions
- Approval of the doctoral dissertation
- Success in the final examination

II . Eligibility and General Requirements

1. Nationality

Must be citizens of Asian countries other than Japan.

2. Age Limit

Must be 24 years of age or over as of April 1st, 2018.

(In principle, must be under 35 years of age.)

3. Education

Must have completed an education course of no less than 18 years.

(Give full details of education history. Specified form is provided.)

4. Academic Background

Must hold either a Medical Degree or a Master's degree (in western medical or public health) from an accredited university.

5. Language Abilities

- English: It is the language of instruction and research guidance in the program.

All students must have a sufficient level of English ability.

Those who have a result of an Internationally-recognized English Language Skill Test must submit it.

Those who do not have it when the application is made, please contact us via email.

- Japanese: Desirable to have an entry-level competency.

Successful applicants must have a fundamental skill of Japanese language competency when entering UOEH.

Intermediate-level competency will be required after entering UOEH as some lectures are held in Japanese.

6. Others

- Students must start the course in April, 2018.
- Those who are still in school when the application is made;
 - Must graduate by March, 2018.
 - Must submit a certificate of expected graduation with other application forms.
- Students are not allowed to belong to other educational institutes during taking the course at UOEH.

III. Contents of Scholarship

1. Types of scholarship

Scholarship-A

- Registration Fee : Exempted
- Tuition Fees : Exempted
- Residence : A twin dormitory room will be provided with exemption of rent fee. (Students share a twin dormitory room)
However, add-on fees such as electricity, water, laundry and phone charges shall be self-borne.
- Stipend : 80,000-yen per month (paid for research assistant work)
- Length of Scholarship : 4 years during taking the course

Scholarship-B

- Registration Fee : 282,000 yen
- Tuition Fees : 535,800 yen per year
- Residence : Furnished twin dormitory room will be available for about 30,000 yen per month. Add-on fees such as electricity, water, laundry and phone charges shall be self-borne.
- Stipend : 80,000-yen per month (paid for research assistant work)
- Length of Scholarship : 4 years during taking the course

A student will be able to apply for another scholarship to cover whole or half of the tuition fees after enrolment for the graduate course. Furthermore, there are scholarships provided by private foundations for foreign graduate students.

2. Notes

- Number of grantee for each scholarship may change every year.
- Length of Scholarship is non-extendable.
- When a student withdraws from school temporarily under circumstance reasons, part of scholarship will be revoked during the period of leave of absence.
- Scholarship will be revoked under any of the following circumstances.
 - When submitted documents are found to be false.
 - When a student being subjected to the disciplinary action by the university.
 - When a student dropouts.

3. Evaluation: UOEH evaluates student's progress in the second year.

- When a student is judged as follows UOEH will make certain actions.
 - There is no prospect of maintaining satisfactory academic progress.
 - Attitudes and behavior of students about research and study are not appropriate.
- Actions UOEH makes.
 - No more acceptances of students from the universities which recommend those students.
 - Revocation of scholarship.
 - Expulsion from UOEH.
