GALAXIES OF OPPORTUNITIES**

WHY ST. PETERSBURG?

Why not Paris, London or New York? Those are often hashtagged fancy and the most instagrammable. Our hashtag is #LOVE, which perfectly matches with the European capital of Russia. We #LOVE our city, we #LOVE what we do, and we would #LOVE to see you at ITMO University.

St. Petersburg is more than just an amazing place to be.

St. Petersburg is:

- the most starlit sky,
- the most romantic nights,
- the most uniting bridges,
- the most creative atmosphere.
