PRACTICAL INFORMATION	
Language Course	Non-credit Japanese language course is available for participants of Student Exchange Program. The level is varied from elementary to advance. The language level is determined by the result of a placement test.
Tutorship System	A tutor will be allocated to each exchange student in order to make their life at NU easy and comfortable.
Accommodation	Exchange students have priority to reside in the university dormitories. http://www.liaison.nagasaki-u.ac.jp/en/?page_id=194
Visa	Exchange students need to obtain student visa. Please apply for a student visa at the nearest Embassy/Consulate of Japan where you live. For visa application, you need to have the Certificate of Eligibility which will be sent to the partner university by NU.
Health Insurance	Every international student who stays in Japan more than three months is obliged to enroll in National Health Insurance System. With this system, 70% of the medical expenses in Japan will be covered by the government. NU staff will support exchange students for application after arrival.
Arrival Assistance	We ask all exchange students to arrange their flight to arrive at Fukuoka International Airport on the designated arrival dates so that we can support the transportation to the dormitory from the airport. We also support all the necessary document works to reside in Nagasaki.
