# Asia-Pacific Roots & Shoots Youth Summit

### **ONLINE EVENT**

This is the perfect time to ACT!

The Jane Goodall Institute Roots & Shoots team in Asia-Pacific is calling on youths between the ages of 18 -24 in the region to join our first ever Roots & Shoots Youth Impact Summit.

The global Covid-19 pandemic of 2020 literally stopped us in our tracks and set us thinking: What lies ahead? What can we do in the face of such uncertain-ty? It is the perfect time for us to come together (vir-tually), revive our energy with like-minded people, plan/ plot and scheme, and cook up delicious projects to change the world.

If you are keen on working on projects to address environmental, social and conservation challenges, we welcome you to be part of the change!

The 30 participants from the Asia-Pacific region will develop their projects during the summit, and then work on the projects after the summit, and share their impact reports.

The team that delivers the most impact will be invited to the 2021 Youth Summit (summer of 2021) in Taiwan, if travel is possible by then. We will sponsor your flights and local accommodation so that you can share your amazing project with new participants.

This event is hosted by the Jane Goodall Institute of Taiwan and Chung Jung Christian University (Taiwan).
