

Meet Taiwan Enterprises & Find Your Career Opportunities

Implemented by  Taiwan External Trade Development Council / Organized by  Ministry of Economic Affairs, R.O.C.

Are you searching for the right employer or exploring a new career path? Would you like to work for a Taiwanese company and have the opportunity to expand overseas market? Here is your chance to meet top-rated employers at the “**One-on-One Employment Meetings**” starting this April thru June, 2015, in major cities across Taiwan.

At this event, you will be able to meet Taiwanese enterprises interested in recruiting talents from all over the world, and have interviews with those of your interest. Participating enterprises come from a wide range of industries, including: **electrical and electronics, information technology, machinery, automobile, building and hardware, medical, food and beverage, textile, research and development, etc.**

To enroll, simply register at the HiRecruit Services website <http://hirecruit.nat.gov.tw/english>, select the session you would like to attend and make appointments with the participating enterprises of your interest.

We cordially invite all qualified professionals to take advantage of this great career event and find out what opportunities are currently being offered by these dynamic enterprises.
