

Q&A about scholarship

1. Category of scholarships?

Kaohsiung Medical University International Students Grant

Kaohsiung Medical University (KMU) Scholarship

2. Qualification?

Kaohsiung Medical University International Students Grant

1. Those who do not hold ROC citizenship are regarded as international students. However, the regulations do not apply to overseas Chinese student, and exchange students.
2. International students applying for this grant must first apply for Taiwan Scholarship offered by Taiwanese government in their countries of origin (unless no such scholarships are available). Only when confirmed that the application was not approved or no such scholarships are available, will students be reviewed through the selection procedure of this grant. Students receiving Taiwan Scholarships may not concurrently accept this grant.

Kaohsiung Medical University (KMU) Scholarship

This is strictly limited to applicants who hold a foreign (Non-Taiwanese) passport, and who register as a Full-Time student in KMU. In addition to this requirement, applying students must ALSO comply with one of the following conditions, in order to be eligible for Scholarship Application:

Condition One

Undergraduate Students:

- (1) Must have been officially studying in KMU for one year or more;
- (2) Must have an average score of 70 (seventy) or above in the previous academic year, and;
- (3) Must have achieved a grade, based on their behavior/attitude, of 80 (eighty) or more.

Condition Two

Post-graduate Students:

- (1) Must have been officially studying in KMU for one year or more;
- (2) Must have an average score of 75 (seventy five) or above in the previous academic year;
- (3) Must have achieved a grade, based on their behavior/attitude, of 80 (eighty)

or more;

- (4) During the period of writing a Master's/Doctoral thesis, even if a student does not have the previous year's academic record of performance, he/she may still be permitted to apply for this scholarship. However, the applicant must submit his/her research proposal agreed by his/her academic supervisor. This proposal should outline in detail the purpose of, and motivation for, the proposed research, plus the theme of the research, method of data collection, essay outline, and references, etc. Using this kind of qualification route, the student can only apply for this scholarship once.

Condition Three

First-Year Students:

Are required to provide the highest educational diploma *and* transcript they have attained at the date of their application.
